

Amazing Race

Bella C, Zeb, Luca and Ashton S were selected in the Motupipi team for the Golden Bay Community of Learning Amazing Race

The aim of the day was for students to visit all 5 schools, collecting information about each school and capturing this on devices (photo and video). Teams were given a sheet with instructions about what to look for and find out about in each school, and were directed to the next school by collecting clues from the office at each school after capturing as much information as they could.

Today the students were editing their footage to compile a short documentary/film about what they've found out. Copies of this will be shared across all five schools, and hopefully at a later stage we will be able to share them with the community. The editing was done at Takaka Primary with Jay Horton from Pheye Creative helping the children to create their documentary.

*I thought I'd be nervous but I found it really cool interviewing people about their schools. I think practising with Daphne the day before helped. I hadn't been to the other schools before so it was really interesting. **Bella C***

*I liked running around asking questions and trying to find out about the different schools. I met all the Principals of the schools who were all friendly, and saw some of my friends at the High School. I was pretty nervous at the start but the children and adults were good to interview. **Zeb***

*I was nervous about interviewing but it got better as the day went on. I liked finding out about the different schools. I did lots of the interviewing. We started at Milnethorpe to find out what to do then went to Central-GBHS-Motupipi-Collingwood-Takaka then back to Milnethorpe to finish. We had to race back to the car after we finished at each school. I liked Central as it was a lot smaller. **Luca***

School Reports / Interviews

Mid year school reports are being sent home on Friday. These reports give an indication as to how your child is tracking, it also gives information on how you can help at home, next learning steps, key competencies and special acknowledgements.

Interviews will be held next Tuesday 4 July and Wednesday 5th July from 2.00pm through to 6.30pm. The interview slots are for 15 minutes.

On these days school will finish at 2.00pm and the children will be supervised in the playground until bus time.

Interviews can be booked through the office 525 9986 or call in to see Jane.

If the timing of the interviews is not convenient then please make contact with the class teacher to arrange a more suitable time.

FUNDRAISING COMMITTEE NEWS

We are thrilled to announce that this week we have donated over \$10,000 to the school. We are able to do this from your support with school lunches, discos and Talleys fish orders. Please continue to support us - we need you! This covers half the cost for the childrens school camps, full cost for Mathletics and Reading Eggs subs, Lego and school equipment. These "extras" are not covered by the Operations Grant from the MOE, and make our childrens learning journey that much easier. Thanks again for helping us to make Motupipi School the best it can be!

SCHOOL LUNCH

Pumpkin Soup & Bread Roll \$3

Cookie \$2

Thanks Cathy for making lunch this week.

Rippa Rugby

Last Friday we took our Rippa Rugby team over to the Nelson /Tasman Schools Rippa Rugby finals, which were made up of the winners of all the local tournaments.

We were the smallest school and had the youngest team but that didn't deter the children who put in a huge effort in each game.

Our first game was against one of the favourites Richmond Primary and we gave them a big fright matching them try for try with them finally winning 5-3.

We also lost narrowly to Tahunanui, and Henley who made it to the final.

Our win was against Springland School from Blenheim

In our final game against Riwaka we drew 3-3 and in the Golden Try playoff they managed to score first to take the win.

We were really proud of the team who all put in 100% effort and were really supportive of each other.

A huge thanks to Logan and Dan for coaching the children while I was away. Their handling skills and teamwork were certainly much improved.

*My Poppa came to watch and I had a big run in front of him. I got ripped and passed to Emma who got ripped and passed back to me and I dived over the line for my first try. **Iyla***

*We had a good tournament against all the top schools in Nelson , Motueka and Blenheim. Our scores were really close in all our games. My favourite was against Springlands which we won 5-4. **Emma***

*Our last game against Riwaka was the most intense because the score see sawed back and forward. They scored on the last play to draw the game and we had to play Golden Try and they scored to win the game. It was really tiring . **Lief***

Weekend Sport Results

Motupipi Magic played CAS Bumblebees last Saturday. We unfortunately had a loss, but showed wonderful ball skills. Players of the Day went to Maren and Scarlett, who worked tirelessly on defence the entire game. Well done girls!

This Saturday our two teams are playing each other at 9.45am at the Rec Centre. Players to be ready to warm up by 9.20am please. Come along and watch!

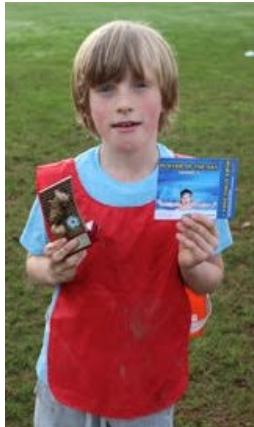

"I really enjoy playing Netball my favourite position is Centre"

"I thought Scarlett and I did really well in defence on Saturday"

Netball

Oshi (Kiyo and Sanai's brother) got player of the day 4-5 year olds

Angus - Player of the day - 6-7 year old

"I like playing soccer its really fun and you get to score lots of goals. On Saturday I got POD because I was a really good goalie. I got a voucher to go to the wave pool in Richmond."

How to make a paddle Boat

By Angus

What you will need: a bottle, two sticks, one rubber band, a vivid, and tape and an ice cream container lid.

What to do:

Tape the two sticks to each side of the bottle.

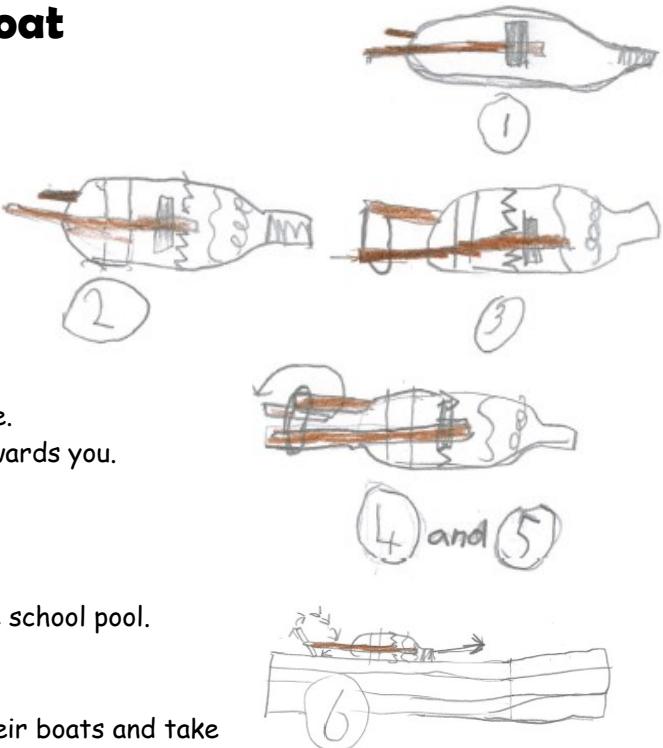

Decorate your bottle with the vivid.

Put the rubber band around each sticking out bit of the sticks.

Cut out the ice cream lid into a rectangle shape for the paddle.

Put the rectangle paddle into the rubber band and twist it towards you.

Put your boat into the swimming pool and let go.

Room 4 challenge:

Room 4 have issued a technology challenge to the other classes:

They have designed and built paddle boats and tested them in the school pool.

They now know who has the fastest boats in Room 4.

They have made NZ flags to wave at the paddle boat regatta.

Now they are waiting for the other classes to design and build their boats and take
