

Golden Bay School's Cross Country

I enjoyed it except for the mud as it made the ground slippery and hard to run on. It got all in my new shoes and they made them dirty and my feet slid around in them. Squire

It was awesome. I ran all the way and fast. Mum and Dad gave me a drink of water. They said "hip hooray Ace". Ace

It was more fun than I thought. I think it was because it was somewhere different, and I seemed to have more energy. Amira

I was running pretty fast all the way. Dad was proud of me. I helped a girl who was going the wrong way. I really enjoyed it. Amelie

It was my best run. I ran all the way but it was hard to go through the squishy mud. When I finished mum said "Good job Jett". Jett

I liked it a lot. Aonghus and Lochie and I were with me all the race as we ran at the same pace. We sprinted at the end and Lochie and I tied. It was a good track because there were streams and bridges to cross and it was muddy. Ryan

Netball

On Monday our netball girls got to spend time with two netball players from the Mainland Tactix who had beaten the SkyCity Mystics the previous day in Nelson. Several of the girls attended that game with Carmyn being lucky enough to be selected as a ANZ Future Captain.

Mondays session was a great opportunity for the girls to meet up with female role models in the sport they love to play. They learned some great new moves from them and were given advice to eat lots of broccoli and do a lot of jumping. It was great for the girls to meet Kate Beveridge and Zoe Walker, and we hope they come back to the Bay soon.

The Motupipi netball team have made it to the finals! Please come and support our girls 10am at the Rec Park. We would love to see as many cheerleaders as possible.

This is our biggest game of the year as it is the final. I'm kind of nervous but excited. I think we will win as we have got better. Scarlett

I'm looking forward to the final against Takaka Primary. We just need to try really hard, be fast around the court and block well. We will have to play pretty well to beat them.

Tactix captain Jane Watson and
Mystics captain Anna Harrison
with ANZ Future captains Carmyn
and Khloe during the ANZ
Championships Netball game

Room One Metaphor Name poems

Abbie is wild!

She is a peace of squiggly spaghetti that will wiggle and wriggle
down your throat.

She is a wild jaguar so watch out or she will rip your flesh into atom
sized portions!

She is a grape vine swinging all over the place.

She is a book sending you on a wild journey.

lyla is...

lyla is wild

She is a rainbow cake lighting up everyone's day.

She is a volcano tearing through the village with her hot lava.

She is a narwhal spreading joy to the ocean.

She is a multi colored fidget spinner whizzing around as fast
as she can.

Gabriel is Flexible...

He is a bowl of spaghetti stringing everywhere.

He is a convolvulus plant jump-stretching from tree to tree.

He is a sausage-dog that stretches higher than Mount Everest.

He is a rubber band that holds together two thousand page books.

Lola is...

Lola is dreamy,

She is a golden waffle coated in sticky syrup

She is a bokea to sweet smelling roses

She is a tui, puffing out her chest with pride

She is a pianola, playing harmonious notes in the light of the dawn

Bella is Dramatic

She is a delicious feast that has vanished without a
trace,

She is an old book covered in a thick layer of dust,

She is a geyser sending unsuspecting people into the
air,

She is a sly fox pouncing on her prey,

Maren is Playful

She is a runner bean ready to race you around your
house.

She is a watermelon plant ready to take over your
garden.

She is a dolphin jumping through rings.

She is a trampoline bouncing into space.

Emily is Funky

She is a gooey gooey gum drop ice cream spinning
down your throat

She is a rose that lets her petals go floppy and wonky

She is a chipmunk popping out of tree holes

She is a fidget spinner getting spun in a circle
