

School Concert

By the time you get this we will only have one concert to go. It's always amazing how everything seems to come together for the shows. They certainly take a lot of time and effort from both staff and children. It's a visual way to report back on music, drama, dance, oral language, self esteem and confidence.

We are very thankful for the great support we get from our school community.

*I was excited and nervous at the same time but got more confident as the show went on. I enjoyed my part as Little Red. Mum and Dad thought I was good. My little brother was pretty good in his play The Wild Thing. **Layla G***

*I enjoyed the play so much. The best bits were driving the car and Mrs Cullen had given me a set of keys and the Kung Fu dance. My belt fell off in the Kung Fu dance but I kept going. I was a leader with Ashton. My Nana, Grandpa and Grandma all said I did a great job. Mum and Dad were really proud of me. **Wirimu***

*I liked the dancing in my play and the ice block. All the songs were good. Mum and Dad said I was good. **Ben***

*Mum said she really liked our play and that I was really good. Her friends came and they said I spoke clearly. I liked my part as the Mayor, I just liked everything in our play. **Amelie***

*I liked being the mum in our play. I wore Rose's shoes and they were too big and made a lot of noise. I liked when I told Marlee to empty her school bag and she tipped it out on the floor. **Evalyn***

*I liked my part as a policeman and I had to arrest Sanai, Wirimu and Quinn. I took the car keys off Wiri. I liked the Motupipi song we sang at the end of our play. My Mum and Dad and Grandad and Granny and Bella and Emma were there to watch me. **Ryder***

*I was nervous because Olive was sick and couldn't be there for our dance. Ruby did Olives part and I had whisper what to do. She did really well. I liked watching the other parts of our play because they were funny. We got to write our own words and make up our dances which was fun. **Malika***

Successful Soccer Tournament

All our Yr 3-6 students took part in the Golden Bay Schools Soccer Tournament which was held at different schools. We had a successful day with Motupipi winning all four grades.

The sportspersonship from all the schools was fantastic and the positive support from parents and children alike was great.

We were a bit short in our Yr 3/ 4 girls grade so had to call in our Yr 2's who got their first taste of organized sport and did really well.

Thanks to parents for help with transport, support and umpiring.

*I was excited to be playing. I got puffed because we had to run a lot but I kept going. We all tried hard and had lots of fun. Heaps of Yr 2's helped us out. Jett got 3 goals in her first game and did really well. When Dayananda came on he went straight for the ball he played very well. **Frankie***

*I really loved doing the soccer especially playing just with girls because we knew each other well and we were friends. We won all our games and everyone scored a goal. We passed the ball around lots so everyone got lots of turns. All the teams were good sports. Malcolm reffed all our games and coached at the same time. We had no subs so we were pretty tired but we played goalie when we needed a rest. **Iyla***

*I was pleased to be in team 1 and we won all our games and no one scored a goal against us. We were all football players except for Saxon. Our team passed the ball around lots. The best goal I got was when George dribbled down the field and passed to me by the goal and I kicked it into the net. Dad was our coach and he was good. **Sanai***

*My favourite game was against the other Motupipi team, it was a good game. I scored lots of goals We had a good team and we passed the ball a lot. Football is my favourite game. **George***

TALENT QUEST

We are hoping to sing a few songs at the Golden Bay On Stage talent quest on Saturday at the GB Recreation Park. Tom will be there with his guitar and will sort a couple of songs with the kids before they go on. If any interested children could turn up at 10am.

Golden Bay Schools Athletic Sports

The Golden Bay Schools Athletic Sports will be held at the GBHS grounds on Friday 23 November. This will involve all our 7-11 yr old children.

They will compete in the long jump, high jump, javelin (rubber), 60m & 200m for 7-8yr olds and 100m & 400m for the 9-11yr olds. We will be starting daily practice next week so the children will need to bring shorts.

Swimming Pool

We will be opening the pool tomorrow so the children can bring their togs for an afternoon swim. The water is still pretty cool We will be selling pool keys at \$50, which gives you pool use after school, weekends and throughout the school holidays. We are just waiting for the new padlock and set of keys to arrive.
